Apart from the responsibilities and liabilities, if any, which may be imposed on any of the Banks by the Financial Services and Markets Act 2000, as amended ("**FSMA**") or the regulatory regime established thereunder, or under the regulatory regime of any jurisdiction where the exclusion of liability under the

relevant regulatory regime would be illegal, void or unenforceable, neither the Banks nor any of their respective subsidiaries, branches or affiliates, accept any duty, liability or responsibility whatsoever (whether direct or indirect) to any person for any acts or omissions of the Company as to the contents of this announcement or make any representation or warranty, express or implied, as to the contents of this announcement including its accuracy, completeness or verification or for any statement made or purported to be made by it, or on its behalf, in connection with the Company, the nil paid rights, the fully paid rights, the New Shares, the Rights Issue or the Disposal and nothing in this announcement shall be relied upon as a promise or representation in this respect, whether or not as to the past or future. This announcement contains "forward-looking statements" which includes all statements other than statements of historical fact, including, without limitation, those regarding the Company's financial position, business strategy, plans and objectives of management for future operations, or any statements preceded by, followed by or that include the words "targets", "believes", "expects", "aims", "intends", "will", "may", "anticipates", "would", "could" or similar expressions or negatives thereof. There is no STT payable on the issue of a share by a company. STT at 0.25% will accordingly be payable upon a transfer of beneficial ownership of shares in Hammerson. In the context of listed shares, STT is normally payable by, *inter alia*, brokers and transfer secretaries (and recoverable from the transferee).

Information to Distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "MiFID II Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the New Shares have been subject to a product approval process, which has determined that such securities are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "Target Market

Assessment").

Notwithstanding the Target Market Assessment, distributors (such term to have the same meaning as in the MiFID II Product Governance Requirements) should note that: the price of the New Shares may decline and investors could lose all or part of their investment; the New Shares offer no guaranteed income and no capital protection; and an investment in the New Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Rights Issue. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Underwriters will only procure investors (in connection with the Rights Issue) who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the New Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the New Shares and determining appropriate distribution channels.
